00 Matching Summary

23

Matches Found

94%

Top Match Score

\$12.8M

Fundable Range

MuniGrowth scanned 847 active donor programmes against Cedar Bay's LED profile, project pipeline, and geographic eligibility filters. Three high-confidence matches are ready for proposal development; combined they represent up to \$7.8M in fundable opportunity for heritage tourism and municipal infrastructure.

Recommended Priority

Submit the Mediterranean Regional Development Fund (RDF) heritage tourism window within 23 days. Align narrative to coastal resilience and youth co-benefits to close the single eligibility gap identified in Match 1.

How we matched

Matching methodology

MuniGrowth screened 847 active programmes against 12 eligibility criteria: sector, geography, budget range, municipality size, co-financing capacity, implementation timeline, language, and thematic alignment with your LED priorities.

01 Mediterranean Regional Development Fund — Heritage Tourism

Alignment score  94%

Funding: €340K – €2M · **Deadline:** 23 days · **Score:** 94%
